MAJOR OBSERVATIONS AND RECOMMENDATIONS

1. It was observed that, 65% of the students have said availability of the reference books is good. It was found around 35% students were not satisfied with availability of reference books in the college. Therefore, it is recommended to buy more reference books in the college.
2. It was found that, over 72% students feel that, washroom and water facilities are not sufficient for all the students.
3. It was noticed that, over 83% students have said, the parking facility is not proper, especially when anything is charged in it, the parking facility should be free for the students.
4. 45% students said that the college does not have extra-curricular activities, like club, fresher's party, farewell party, entertainment related events.
5. The students find the college atmosphere good and congenial with more than 84% students finding college disabled friendly and teachers and administrative staff accessible.
6. More than 62% of the students were satisfied with the-infrastructure that the college is providing. This includes classroom facilities (like board, chair-desks, ventilation, projectors), computer labs, internet facilities, canteen and sanitation facilities.
7. 80% students are of the opinion that college has great in-campus conveniences which include canteen, banking and sanitation facility and that auditorium is an asset to the college.

Action Taken Report

1. The broken furniture like desk, chairs , were replaced and new furniture were added.
2. Internet and sanitation facilities were taken care off.
3. Library purchased more books and journals on the recommendation of department in charges.
4. For extracurricular activities: The issue would be discussed with students, what all extra activities they intend to have apart from what were already organized.
5. Proposal for Parking free facility was submitted to the administration.
